**Cheer Power Patriotic Holiday Competition
November 12, 2006**

The PCC teams put on another great showing! We kept the momentum rolling at Cheer Power's Patriotic Holiday Championship. We left a 1st place trophy at Spook Night with our Pups having an awesome second place finish. After adding new athletes and a lot of hard work, ALL Pinnacle teams were awarded 1st place trophies. All team members were presented with competition t-shirts and gold medals for their efforts and the gym was presented with 1st place trophies for each team.

In addition, our Junior Blue and Junior Black teams were given High Point awards! These athletes were also given High Point sweatshirts and the gym received two High Point cups. Our wonderful parents even got into the act by winning a spirit plaque for their outrageous support!

Our individuals also had a great showing at a very competitive competition. Thanks to all for making our first traveling regional a success. All teams who have competed in these first two Cheer Power regionals have scored very high. This makes them eligible to make a great run for the World Series of Cheerleading, which may result in cash prizes for the gym.
