National Cheerleaders of America Nationals Dallas, TX February 17, 2007

PCC teams had a great showing at NCA nationals!

As a first year gym, we took three teams to National Cheerleaders Association (NCA) nationals. All three teams were ranked in the top 7 going into finals.

Our Pups put up a great effort in having only 18 members in a division that went up to a maximum of 35. They were awarded 9th place out of 17!

Junior Blue were ranked 5th place out of 22 teams in the preliminary round. The girls improved their position by two places and were presented with the 3rd place trophy.

We ended our NCA weekend with our Junior Black team. After being ranked 3rd going into finals, the cleaner routine in finals allowed them to jump up one spot as they were awarded 2nd place for their efforts.

We were glad to make the San Antonio area proud in our first year at NCA nationals. Our teams took the stage against the most competitive programs in the industry and did well. We received many compliments from our peers and fans of other programs.

Our teams had high hopes of making a strong impression at American Spirit Championships. The event was held in our back yard at the Alamo Dome in San Antonio, Texas. PCC individuals had a spectacular showing and added eight national titles to our collection.

Teams also had an impressive showing. After a fourth place showing in prelims, our Pups managed to have an even better performance in finals, finishing in third place!

Junior Blue followed by hitting their entire routine. They maintained their large lead for first place out of prelims and came home with jackets and another national title! In addition, they were given the Stunt Award for having the best stunts out of the entire Level 2 division.

Junior Black was tied for first place with a talented TexStar team. After displaying a great performance in finals, they were given the first place trophy and jackets. Junior Black wasn't done there. Our girls also received the Stunt Award for best stunts out of the entire level three division. They were also named the Grand Champions for the Level 3 Junior division.

Our Senior Elite had to overcome some adversity to get to this national. We were proud to see our girls come together on the warm up mat after having to replace a team member and adjust the routine due to an injury.
